The Marriage Course

Building a healthy marriage that will last a lifetime

What is “The Marriage Course?”

“The Marriage Course” is very practical, giving married couples the tools to build a strong and healthy marriage that will last a lifetime. Over seven evenings spent together, couples talk about important issues that matter for a life together.

Who is it for?

- Couples who want to build a strong and lasting relationship in their marriage
- Those who want to enhance their marriage
- Couples in the first five years of marriage
- Those in any challenging stage of their marriage: birth of a child, a career change, teenager(s) at home or the “empty nest” stage of marriage

Topics Covered

- Recognizing each others needs
- Learning to communicate effectively
- Resolving conflict
- Healing past hurts
- Knowing how to make each other feel loved
- Relating to parents and in-laws
- Developing a good sexual relationship
- Making time for each other and having fun together

What is involved?

The setting is inviting, relaxing and encouraging. Each evening begins with snacks and some quiet time together, followed by a talk with an opportunity to discuss the topic as a couple.

The privacy of each couple is always respected, and there is no group work at any stage of the course.

Please note that while the course is based on Christian principles, any couple who wishes to strengthen their marriage is welcome.

When do we meet?

All classes meet on Sundays and begin at 5:30 p.m.

Testimony:

When we married, we knew that our relationship was a gift from God and was something that would need constant care and maintenance. We loved The Marriage Course because it reinforced the things we'd learned about each other and opened up delightful discoveries to improve our relationship. Definitely an enjoyable A+ investment in time and commitment to each other and to strengthening the covenant we made years ago. So glad we did it!!
